Jenseits der Unendlichkeit liegt die furchtsame Galaxe, die von den bösen Mächten des despotischen SALAMANDER beherrscht wird: Unser Held muß seine Landsmänner dazu überreden, mit ihm auf eine Reise in die Höhle und noch weiter zu kommen. Organische Zerstörungsmonster, Nuklearspinnen, Infernos toben wie stürmische Seen, Höhlen der Verzweiflung, Dämonen, deren Dimensionen unsere Vorstellung übersteigen...

Au-delà de l'infini se trouve la galaxie du mal dominée par les pouvoirs de la despotique SALAMANDRE: Un héro doit convaincre ses compatriotes de l'accompagner dans son voyage en enfer et au-delà. Des monstres organiques destructeurs, des aragnées nucléaires, des enfers semblables à des mers de feu déchaînnées, des cavernes du désespoir, des démons qui dépassent les limites de l'entendement! L'HEURE EST ARRIVÉE...

Beyond infinity lies the evil galaxy dominated by the forces of the despotic SALAMANDER: A hero must persuade his compatriots to join him on a journey into hell and beyond. Organic Monsters of destruction, Nuclear Spiders, Infernos burning like raging seas in torment, Caverns of Despair, Demons beyond the dimensions of our minds...
